HARLEM SCHOOL OF THE ARTS
CONSENT, RELEASE AND INDEMNIFICATION AGREEMENT

I, _____, am the parent/legal guardian of _____,
 NAME NAME OF STUDENT

(“the Student”), who seeks to enroll in the The Harlem School of the Arts (“HSA”) in New York City during the period June 19 – August 11, 2017. In consideration for the Student being permitted to participate in the School, I, together with the Student, if the Student is of legal age to execute a binding agreement, (hereinafter referred to as “I/we”), hereby agree, and represent as follows:

1. I/we accept the offer extended to the Student to enroll in and participate in the School offered by HSA, and shall be bound by the terms and conditions set forth in this Agreement:
2. I/we understand that, although HSA will attempt to maintain the School as described in its publications, brochures, website and conversations, it reserves the right to make reasonable changes or modifications to the School, including but not limited to the class schedule, curriculum, faculty and staff, co-curricular and extra-curricular activities, services and housing arrangements.
3. I/we are fully familiar with the intended activities and demands of a rigorous arts training program, including both the physical fitness expectations and the inherent and unavoidable risks of injury and harm, and I/we represent and warrant that the Student is able to participate fully in the School’s activities, that no health professional has advised us of any risks or conditions that would limit or impede the Student’s full and safe participation, that I/we are not aware of any medical or other conditions which would limit the Student’s full and safe participation in the School, and that I/we understand and accept the inherent and unavoidable risks of injury and harm that may occur due to the Student’s participation in this School. I/we agree further that if the Student sustains any injury or illness prior to the commencement of the School, we shall advise HSA promptly in writing so that an assessment can be made whether the Student can participate in the School.
4. I/we are fully familiar with the School’s location in Manhattan, which is an urban area; understand that the Student will be traveling in and around New York City for classes; and understand that there are inherent and unavoidable risks of injury and harm in such situations and activities; and I/we accept the inherent and unavoidable risks of injury and harm that will exist for the Student as a result of the Student’s participation in this School. I (the parent or legal guardian) have discussed these matters fully with the Student, and represent and warrant that the Student understands the risks of injury and harm and will accept the responsibility for and comply with all School rules and regulations and directions of School staff intended to assist the Student in adapting to a program in an urban setting.
5. I/we accept responsibility for medical expenses (including treatment, medical devices, emergency room visits, ambulances, and hospitalization, whether or not covered by insurance) for any injuries or illness that the Student may sustain or experience while participating in the School; and warrant that (if applicable) the Student will provide proper identification and information to secure medical insurance coverage; and that I/we will promptly reimburse fully HSA and/or any of its employees who advance costs to secure medical treatment for the Student. I/we hereby grant permission for the Student to receive emergency medical treatment as appropriate during participation in the School as may be authorized by an adult member of the School staff.
6. I/we understand that the Student will be subject to the School’s policies, rules and regulations concerning conduct, procedures and activities, which rules are set forth as an

attachment to this Agreement, and acknowledge these may be amended from time to time during the School year, and I/we agree to be bound thereby. I/we understand and agree that the Student will conduct him/herself in an appropriate manner while participating in the School and during related activities. I/we understand and agree that the School is designed to provide rigorous and challenging training for the Student, and that certain conduct and activities would be detrimental to the Student's ability to participate in and profit from the School; therefore, the School unconditionally prohibits conduct by Students involving; (i) unauthorized absence from School classes; or (ii) conduct which endangers the health or safety of the Student or others. I/we understand further that HSA reserves the right to decline to retain the Student in the School at any time should the Student's actions, conduct or general behavior, in the sole discretion of HSA, be determined to interfere with, impede, obstruct or contravene the best interests of the School, the individual Student, other enrolled Students, and/or HSA.

7. I/we understand that the Student's non-refundable tuition and fees are due on payment dates referenced in the Harlem School of the Arts (HSA) catalog and registration. Failure to pay the full amounts due may result in the Student being barred or discharged from the School. In the event the entire School is cancelled by HSA before it commences, HSA will make every reasonable effort to refund tuition paid. If a Student's illness or injury, as determined by HSA in consultation with medical professionals, renders a Student unable to safely participate in or continue with the School, HSA will take under consideration a request for a partial refund of tuition only; with a final determination to be made at the conclusion of the School. If a tuition refund is granted based on the specific circumstances, I/we understand it would be pro-rated to reflect the length of a Student's participation in the School to the date of withdrawal.

8. I/we understand that if the Student has to take prescription medication or receive scheduled medical treatment, we shall notify the School in writing, and shall consult with the School as to appropriate arrangements. It is not the responsibility of the School to make such arrangement.

9. I/we understand and agree that during the course of the School, the Students may be photographed and/or videotaped during School activities or performances, and I/we grant to HSA an unrestricted right to use in any form the image, picture, likeness, voice, and/or name of the Student for all HSA and commercial purposes.

10. I/we agree to abide by the policies and procedures established by HSA for the prudent operation of the School that restrict visitation to the classes and that governs a Student's permission to be away from the School with family or family acquaintances. I/we agree to provide the School with information on how to reach parents and/or guardians and/or emergency contact individuals in the event of travel, and to provide adequate information if parents and/or guardians are party to an agreement that sets forth custodial rights with regard to the Student.

11. I/We agree to be responsible for the prompt drop-off and pick-up of the Student and will be solely responsible for any arrangements made for drop-off and pick-up by another adult/acquaintance when we, the parents/ legal guardians, are unable to. HSA shall not be responsible for making such arrangements or for ensuring that they take place.

12. Knowing the risks and responsibilities described in this Agreement and which generally may arise from participation in an activity such as the School, and in consideration of being permitted to participate in the School, I/we agree, on behalf of the Student, the Student's parents/legal guardian, family, heirs and personal representatives, to assume all risks and responsibilities surrounding the Student's participation in the School. To the maximum extent permitted by law, I/we release, waive, indemnify and hold harmless the Harlem School of the Arts (together with its affiliated entities), its past, present and future trustees, directors, officers, employees, students, agents and assigns (whether acting as agents for HSA or in their individual capacities) (hereinafter, collectively "HSA"), from and against any present or future claim, loss, cause of action, costs, fees, fines, penalties (including reasonable attorney's fees

and court costs) or other liability for injury to person or property, whether in law or equity, which I/we may suffer, directly or indirectly or for which we may be liable to any other person, as a result of the Student's participation in the School and School-related activities (including periods in transit to or from where the School is being conducted), as a result of the actions of a third party, or as a result of the negligence (other than gross negligence) or any other act or omission on the part of HSA.

13. I/we agree that this Agreement is governed by the laws of the State of New York applicable to contracts made and wholly to be performed in the State of New York, and that any dispute arising from or relating to the Student's participation in the School, or this Agreement, shall be brought and adjudicated in the Supreme Court of the State of New York, County of New York, or the United States District Court for the Southern District of New York. Should any provision of this Agreement be found to be unenforceable, all remaining provisions will continue to be in full force and in effect.

14. This Agreement represents the complete understanding of the parties concerning responsibility and liability for the Student's participation in the School, supersedes any previous or contemporaneous understandings, whether written or oral, and cannot be changed or amended except by a writing signed by both parties.

I/we have carefully read this Agreement before signing it and fully understand its terms and conditions and am signing it voluntarily with the intent to be legally bound.

I, as parent/legal guardian, represent that I have the authority to execute this agreement on behalf of myself and the Student, provided that if the Student is eighteen (18) years of age, his or her signature below, is legally binding as well.
