

Summer Intensive 2018

Welcome to the first annual HSA dance Summer Intensive. We will work with various leaders from the industry and learn repertory each week.

This is a high-level intensive designed to augment and increase dancer technique and skill. We expect to have a lot of fun but encourage students to come focused and ready to push themselves beyond their comfort zone. Please adhere to the dress code outlined below.

Reach out with any questions directly to Dance Director, Aubrey Lynch, alynch@hsanyc.org, 917 607-7959. Email, call or text any time.
