

Summer Intensive 2019

Welcome to the annual HSA Dance Summer Intensive. We will work with leaders from the industry and learn repertory each week. This is a high-level intensive designed to augment and increase dancer technique and skill. We expect to have a lot of fun but encourage students to come focused and ready to push themselves beyond their comfort zone. Please adhere to the dress code outlined below. Reach out with any questions directly to Dance Director, Aubrey Lynch, alynch@hsanyc.org, 212 926-4100 Ext. 325. This welcome Letter and draft schedule is also available by download on the dance intensive page.
